## SUMMARY

I am a CGI generalist with a thorough understanding of the 2D and 3D pipelines. I work closely with regional and international clients to create TV and social media advertisement content for major companies like Ariel, Tide, Gillette, Fairy, Al Marai, among others. As an artist, I value the clients' needs and I endeavor to finish my work in an efficient and timely manner even under tight deadlines, and with quality in mind.

## WORK EXPERIENCE

### Freelance CGI Artist Jan 2022 - Present

- Create 2D and 3D content for commercials, events, and social media with clients from around the world
